Dr. Joshua Lederberg, Chairman
Department of Medical Genetics
The University of Wisconsin
Madison 6, Wisconsin

Dear Dr. Lederberg:

This will acknowledge the receipt of your letter of February 3 enclosing a statement of a problem you wish to come before the Council. The Council meets tomorrow night (February 8), and I shall see to it that the questions you raise receive attention, though I imagine Dr. Bronk will present the matter.

Cordially yours,

Theophilus S. Painter
